Even Wakulla votes bonds for good roads. Surely Leon will see her sister one better.—True Democrat.

The Lakeland Star pertinently remarks that good roads mean

And this is an object lesson that might well be taken to heart by many other fathers and mother in America, — Enterprise-Recorder.

We feel safe in saying that the bond issue will be carried by a good majority for every man in district who has the welfare of the county at heart will vote to bond for improvements. It's time good people that we are "doing'round" and seeking some safe and sane plan to better our part of the county. And the good roads are the best plan that we have in mind. Lets have the election and then every person who can vote for the bonds and build the roads. If you want to be prosperous and see prosperity. VOTE FOR THE BONDS.
